1. A biplane was standing in front of the hangar at the airfield near the old brass plant in Finow (N 53/V 08) on 4 and 5 October 1950. There was no flying. A stone building at the southeastern edge of the field was occupied by a Soviet unit. Some of the windows of the building had been walled up. A sentry who was seen there wore red-bordered black epauletts. \*
